Yes, you DO have the time. At Mindwalk, we know your time is valuable, so we get right to the point. Just 75 minutes will give you what you need in your hands to write and prepare better proposals that win bids as soon as you sign off.

Consider what previous webinar attendee Shaun Chadha has to say about it:

"I've been in the design business for 15 years and quoted hundreds of projects. Yet, I learned strategies in this webinar that are bound to increase my success rate considerably."

Join us on September 29<sup>th</sup> at 2:00 p.m. Eastern for a webinar that will change the way you bid.

If note taking isn't one of your skills, don't worry. You'll have unlimited access to the recording for two weeks after this live event. You can watch it as many times as you want so you can take notes at your own speed. Are you in an organization that could benefit from this webinar? Play the recording for your colleagues to increase the impact of improved proposals even further. More people improving their proposals means more work and more revenue.

How many more bids do you want to win?

Space is limited to 25 participants, so sign up today. We want to make sure everyone has a chance to participate and ask questions during the webinar.
